## **MCARD FREQUENTLY ASKED QUESTIONS (PART OF CONDITIONS)**

**(Please read and retain for future reference)**

### **Q. What happens if I lose my MCard Annual Pass?**

If you lose your MCard Annual Pass, it is possible to arrange a replacement. However, there is an administration fee of £5 and you are only allowed one replacement.

To apply for a replacement you will need to call Metro's CIT Department, on either 0113 2517 271 or 0113 2517 495, where a replacement MCard will be ordered. Please note that the replacement MCard will not be immediately available, as the order system takes up to 7-10 working days to produce the card. The replacement MCard will be sent to your home address.

### **Q. What happens if my MCard Annual Pass is damaged?**

Damaged MCards may be exchanged without charge.

To apply for a replacement you will need to call Metro's CIT Department, on either 0113 2517 271 or 0113 2517 495, where a replacement MCard will be ordered. Please note that the replacement MCard will not be immediately available, as the order system takes up to 7-10 working days to produce the card. The replacement MCard will be sent to your home address.

### **Q. What happens if I want to change the type of MCard Annual Pass?**

It is possible to upgrade or downgrade the type of MCard Annual Pass you are using.

If you want to do this, please contact the Staff Benefits Team (Ext 33966). A new MCard Annual Pass will be ordered and changes will be made to your deductions accordingly.

### **Q. What if I'm leaving the University/going on maternity leave or decide I don't need/want my card anymore?**

For those leaving the University or going on maternity leave or those who wish to opt out of the Scheme, three options are available:

1. You can return the card to the Staff Benefits Department on, or before, your last working day and your payments will cease. If you are leaving the University or wish to stop using the card in the middle of a month, you would be required to pay for the whole month unless the card is returned by the last day of the previous month. No refunds apply to replacement cards.

**Please note that cards cannot be returned in April or May 2018.**

2. You can retain your MCard and the outstanding balance can be deducted from your final salary (if you are leaving the University)
3. You can retain your MCard and the outstanding balance can be paid for by cheque or cash before your date of leaving.

Please contact the Staff Benefits Department for the appropriate forms, to confirm your decision and if necessary to make arrangements to pay the outstanding amount due on the card. If this arrangement is not followed, the University reserves the right to deduct any outstanding monies from your salary.

**If you have had a replacement card and wish to return your card please also note:**

The University pays in advance for your MCard and Metro will not refund us if you have had a replacement card. Therefore if you have lost your card during the year and have had a replacement you will **not** be able to opt out of the scheme and payments **must** continue for the remainder of the year.

If your employment terminates before March 2018 you will be required to pay for the remaining months in the payment period before you leave.

If this arrangement is not followed, the University again reserves the right to deduct any outstanding monies from your salary.

**Q. When do I start paying for my card?**

Deductions will be taken directly from your salary on a monthly basis. This will either be the last working day of the month or the last working day before the 17<sup>th</sup> (for Ancillary and Technical Staff). The deductions will commence from your salary automatically effective from the date of issue of the MCard.

**Q. Can I apply for a card to commence in April and May?**

No - This is because Metro does not accept applications during this time period. It is also because we do not charge people during April and May. In order to have a card which lasts throughout April and May you will need to have purchased a card to commence no later than March.

The University's annual renewal process commences in June, so you will need to re-apply again in March & April to renew. All cards expire in May.

**Q. Why do short-term cards expire in May?**

The University's annual renewal process commences in June, so all cards expire in May to coincide with this.

**Q. What do I have to do if I change my details on my card (eg Name)?**

If you want to do this, please contact Metro's CIT Department (0113 2517 271 or 0113 2517 495) to arrange an appointment at Metro's offices. A new MCard Annual Pass will be ordered and changes will be made to the annual pass accordingly. There is an administration fee of £5.

Please note that a replacement MCard will not be immediately available, as the order system takes up to 7-10 working days. The replacement MCard will be delivered to your home address.
