Electric Car Breakdown Cover included in every cover level!

Electric car breakdown cover gets you back up and running if you break down. With the RAC, there's no need to pay extra – we cover electric, hybrid and plug-in hybrid cars, as well as petrol and diesel vehicles. And you can relax knowing we're number one for electric car breakdown cover, as we do more than anyone else to keep you on the road. So, if you're thinking electric, **think RAC**.

Expert mechanics

RAC patrols are fully trained to know your electric car inside out. So you'll be in safe hands with our experts.

EV boost

Out of charge? Only the RAC EV boost vans can give you a 10-mile boost to get you to the nearest charge point.

Rapid recovery

Need a tow? Electric vehicles usually have to wait for a recovery truck. But our high-tech vans can lift all four wheels off the ground, saving you time and protecting your vehicle.
