

## The Simply Cash Plan from Simplyhealth could help you

As an employee of **Leeds University** you are eligible for a staff discounted plan for your everyday healthcare appointments.

With the Simply Cash Plan you can claim money back towards the cost of check-ups and treatments. You can choose to cover just yourself or a partner too. What's more, up to four children under the age of 18 are covered for free! Cover starts from just **£1.80** a week.

### How it works

At Simplyhealth we like to think of our cash plan as pots of money you can use to look after your everyday health. Some regularly used health benefits include:

**Optical** – includes prescription glasses, contact lenses and prescription sunglasses up to annual limits

**Dental** – claim for check-ups, scale, polish and treatment up to annual limits

**Other benefits** – physiotherapy, chiropractic, osteopathy, acupuncture and homeopathy up to annual limits

You can start claiming straight away for most benefits, which means if you needed a filling or an eye test all you would need to do is attend your healthcare appointment, pay as usual and then send your receipt to claim from us. We'll then pay the claim straight into your bank account, usually within just a few days, it's that simple!
