UNIVERSITY OF LEEDS

Global network of IO staff and agents

 University of Leeds Overseas Team/Office

 Agents in country

Supporting academic colleagues

- Support for recruitment and portfolio planning (with your Marketing teams)
- Link development with overseas institutions
- Support for development and internal approval of collaborative student education programmes / agreements / contracts
- **Always seek International team help BEFORE talking to potential partners in detail about** Joint and Dual degrees, articulations (2+2, 3+1), progression agreements (1+1 etc).
- Support for recruitment and partner development visits overseas
 - Country market briefings
 - Market intelligence relating to recruitment and partner networks

We'd like you to share with us...

UNIVERSITY OF LEEDS

- Market intelligence from your home country regarding HE institutions, qualifications, funding opportunities
- Your experiences of teaching and researching globally
- Partnership opportunities, contacts and networks
- Links based on joint posts, visiting professorships, academic exchange
- Travel plans – if shared early, we may be able to suggest useful additional recruitment or partnership activity
- **Get to know your Faculty Pro-Dean International to understand Faculty priorities and where you can get involved.**
